

Lola Jenkins Portrait Workshop Supply List

Portrait Supply List:

- ½ of a standard size foam core board (10" x 20" is standard) Can be cut in half and two students can share a board.
- Applique pressing sheet
- Three ½ fat quarters. A dark, a medium and a light in any color scheme. Fabric that looks good together
- About 2 sheets of tracing paper. (Canson brand in the red cover recommended)
- 1 yard of wonder under fusible web (Pellon: Number 805)
- Straight Pins and **small scissors that can cut tiny pieces is really needed. I recommend to bring small scissor that you will not mind using to cut through paper and fabric at the same time. (Need Scissors that are no larger than 7 inch from tip to handle or smaller). Large scissors are not useful for this project.**
- 1 ultra-fine and 1 fine point black sharpie
- Small hot iron.

-No sewing machine required. Most students will leave with a completed portrait.

Light Box: a couple of students should bring a light box.

- Please wear name tag to class.

Optional Kit available \$20.00 which includes all fabrics, fusible web, pattern, tracing paper, and instructor notes. Student only needs to bring applique pressing sheet, pins, scissors, foam core board and sharpie(s). If kit not purchased then instructor's notes are \$3.00. Instructor will have 25 kits on hand to purchase. First come first serve Kits come in a variety of colors.
